

## Curriculum Licensing

Are you looking for a cost effective way to offer prep courses for the PMP®, CAPM®, or PgMP® exams? Do you want to avoid the hassle of developing your own materials? Are you looking for additional projects that you could market to your clients?

Core Performance Concepts Inc. (CPC) has worked with a number of training organizations like yours to offer high quality, profitable PMI certification classes for their members. Your instructors will use our best-selling, **proven Materials Set** that includes a **textbook**, companion **participant guide**, and PowerPoint **presentation** including instructor notes to help them be successful. We offer many other courses in project management, leadership, business analysis, and lean six sigma. These include a **fully developed** participant guide, the PowerPoint **presentation**, and lively and challenging classroom activities.

Our licensing arrangements allow for flexibility depending on your needs and the volume of courses you would like to offer. This allow you to provide training that is cost effective and profitable.

As a CPC licensing partner, your benefits also include:

- **First rate** customer service to address your organization's needs
- Top quality PMI exam preparation materials for your students that have been tested and validated by thousands of users who have taken the exam and passed on their first attempt
- Partnership with a PMI R.E.P.
- A dedicated account manager to help you with the process
- An **array of other topics** to lead you to follow on sales with your clients, such as:
  - Effective Project Management
  - Leading and Influencing Projects
  - The Executive's Role in Project Success
  - Managing IT Projects
  - Project Risk Management
  - Monitoring and Controlling Projects
  - Lean Six Sigma Projects
  - Effective Business Analysis
- Flexible, personalized service that saves you time and money

Now is the perfect time to offer a PMI certification class. We invite you to connect with us and learn how we have helped others enhance and expand their professional development programs. Through our licensing agreements and class materials, we make it **easy** to support your client's needs for education and skill building.

Let us show you how we can collaborate and partner to deliver a program that performs. Please respond to [rcarey@cpconcepts.net](mailto:rcarey@cpconcepts.net) or contact me at 949-636-3065.

Sincerely,

A handwritten signature in cursive script that reads 'Rose Carey'.

- Post-assessment exam to determine areas of strength and weakness

## Other Course Offerings

Other course offerings may be found at our website: [www.coreperformanceconcepts.com](http://www.coreperformanceconcepts.com).

## About Core Performance Concepts:

Core Performance Concepts Inc. (CPC) is a Registered Education Provider (R.E.P.®) for PMI and has been supplying high quality exam preparation materials since 2002. CPC has been providing curriculum in project management, leadership, business analysis, and lean six sigma since 1993. CPC offers more than 30 courses developed by subject matter experts and authors which help individuals understand and implement core concepts that improve their work and personal performance.

## Vision

Our passion is connecting people in business, government, and non-profit organizations to collaborate and share ideas that have value so that we all can perform better.

## Mission

CPC improves the ability of both individuals and organizations to meet the leadership and management demands of the future. CPC's high quality, integrated curriculum and superior instructors are the foundation for our customer's success. Collaborating with CPC enables organizations to quickly establish educational programs the market demands.
